1. What have you been up to for the past 50 years?

Westminster – Art, Computer Science. Worked as systems analyst until we had children. Have two daughters. My husband, Jeff, has his own business in Sewickley – General Contractor. Jeff does high end residential remodeling in Sewickley. I still work for him full time (administrative) since our kids were born. I have been a zoning officer and a mayor. Loved backpacking, hiking, white water canoe trips, hiked part of the AP, Down hill and cross-country skiing, gardening and remodeling homes with my husband. I had cancer 12 years ago, it is back. Unfortunately, I had to give up some of my sports because of it. Our daughters have blessed us with 5 grandchildren. Our 10 yr. old boy and four 5 year olds. Both girls had twins the same year. We have a set of identical girls and a set of identical boys. Our kids both live within 10 minutes so we see them several times a week. Jeff has moved me around Sewickley, Franklin Park and now Economy 5 minutes from work (LOL). He gets bored and makes me new houses. We are on number 5, so far! God has truly blessed me with a good life! I am thankful for all of it. I have a wonderful man to share this life with. His talents have blessed me and our kids. We are spoiled by him. There you go Bill – 50 yrs!
