### Willie Bretz

1. What have you been up to for the past 50 years?

Sharing an Amazing Journey with my wife Kim Yasher Bretz while being Blessed with three beautiful children and three beautiful grandchildren and waiting for more! Grand children of course. Finally retired after 47 years of running a Trucking Company with my brother and the last 9 with our daughter Alexa. I drove tractor-trailer for the first 23 years hauling Hazardous Materials. Then I was the mechanic for 11 years while also managing drivers and equipment. The last remaining years I spent sitting on my butt in my office fighting with the world of the Trucking Industry. I greatly enjoyed the last 9 years spending each day working with my baby girl Alexa. She's the reason I survived with some form of a stable mind. Final Thoughts??? My wife, Kimmy, was always there for me no matter what each day put before us. So Yes, Life is Good!!!
