### Mary Lou Evans Holtzman

1. What have you been up to for the past 50 years?

The first couple years after graduation were a whirlwind – graduated from Robert Morris College, married the love of my life and a job opportunity for John at the chocolate company had us moving to Hershey, PA. We were blessed with two wonderful children. When the day-to-day parenting responsibilities slowed down, I decided to go back to school to become an RN. Hardest thing I ever did, but so rewarding. After retiring, we have enjoyed some travel and spending time with family. Last summer we moved to Virginia to be near our only grandchild – she makes my heart so happy!!

2. What was your favorite thing about high school?

Band – football games, parades

3. What was your least favorite thing about high school?

Latin class – why did I take that?!

4. Who were your favorite teachers at WAHS and why?

Mrs. Polio, art. She gave us such freedom to try anything. I was far from talented, but we were permitted to create.

5. What was your favorite class at WAHS?

Art

6. What is your favorite vacation destination and why?

Anywhere there is water to swim in, listen to or just watch.

7. Who is the most famous person that you have met? How did you meet this person?

Beyonce, when she was part of Destiny's Child. My daughter was given backstage tickets to a concert in Hershey. She and the other two women were so very sweet.
