### Paula Greenawalt Powell

1. What have you been up to for the past 50 years?

The first part of my adult life, I didn't think of a career as being so important. My mom was a housewife with jobs that were important, but not professional. Well, I spent the earliest part of my marriage raising out two Wonderful Sons, Lucan and Christopher. Greatest gifts in life. I worked a bit as a sales clerk, waitress, and a nurse's aide. Then decided to bid on a few mail contracts to make some money. Between two contracts, I drove a million miles until I had to retire. I currently am retired and craft for relaxing.

We managed to build our own home while we raised the boys (not a mansion, but adequate).

2. What was your favorite thing about high school?
3. What was your least favorite thing about high school?

I liked them all.

5. What was your favorite class at WAHS?

None.

6. What is your favorite vacation destination and why?

My favorite place to visit was San Diego, and going to the strawberry fields picking. Disney, of course.

7. Who is the most famous person that you have met? How did you meet this person?

Never met a famous person, not that I know of!
