Chris graduated from Vo-tech Practical Nursing program and worked as an LPN at the Overlook. Graduated from YSU nursing program in 1982 and became RN. I worked at Northside hospital in Youngstown on Neurosurgical floor. Raymond and I married in 1982. We have two daughters and two sons and now seven grandchildren. We have lived on Johnston Road in New Wilmington for 42 years. Jim Meyer lived next door. Allison Zehner lives two doors up from us. Our daughter Meg and her family live in the house Barb McKnight grew up in. I was a stay-at-home mom until all of the kids were in school. I worked as a teacher's aide in the New Wilmington Elementary and Middle school. I went to work for Midwestern Intermediate Unit 4 as a paraprofessional in an Autistic Support classroom in New Wilmington Elementary, Pulaski Elementary and Shenango and Neshannock school districts.

Raymond worked for Old Forge, City Welding, and Mercer Forge. He retired from Mercer Forge after 41 years. He was diagnosed with sinus cancer and underwent surgery, chemotherapy and radiation. He is cancer free today. He still has a passion for cars. He met Blair Clark's sister and discovered Blair's silver Triumph in her garage. He sold it to a man in Ohio who is going to restore it.
